

Tile Variations

The 1860 collection offer three distinctive designs all with natural textures, variations and dimensions. Variations from tile to tile are inherent.

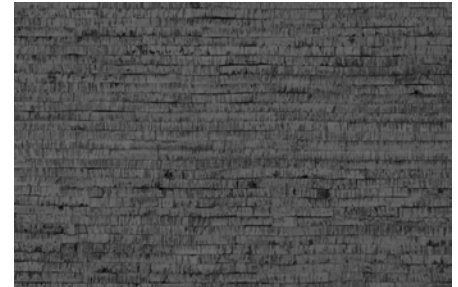

1860 tiles are best installed in a horizontal orientation using a brick-lay pattern. Images on the following pages show tiles placed in the brick-lay pattern.

Natural VASC001

White VASC002

Titanium VASC003

Hewn VAOC001

Jet VAOC002

Timber VAIC001

Chalk VAIC002

Zinc VAIC003

True Blue VAIC004

1860 Cork Wall Tile

Natural VASC001 (Tile size: nominal 36" x 24")

Each tile is unique and tiles are best installed in a horizontal orientation using a brick-lay pattern as shown here

▼ Same tile visual layout as above, shown with tile borders of brick-lay installation ▼

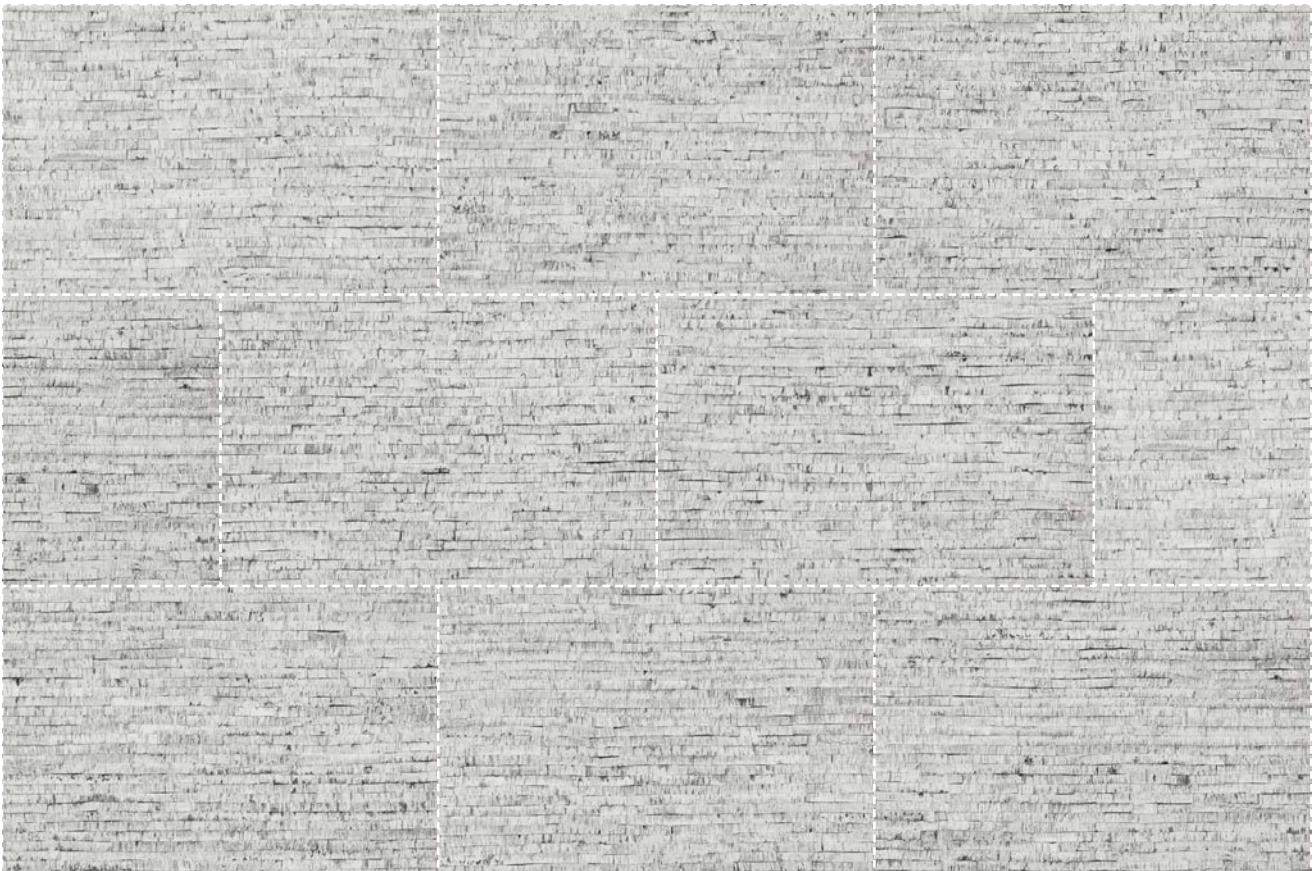

1860 Cork Wall Tile

White VASC002 (Tile size: nominal 36" x 24")

Each tile is unique and tiles are best installed in a horizontal orientation using a brick-lay pattern as shown here

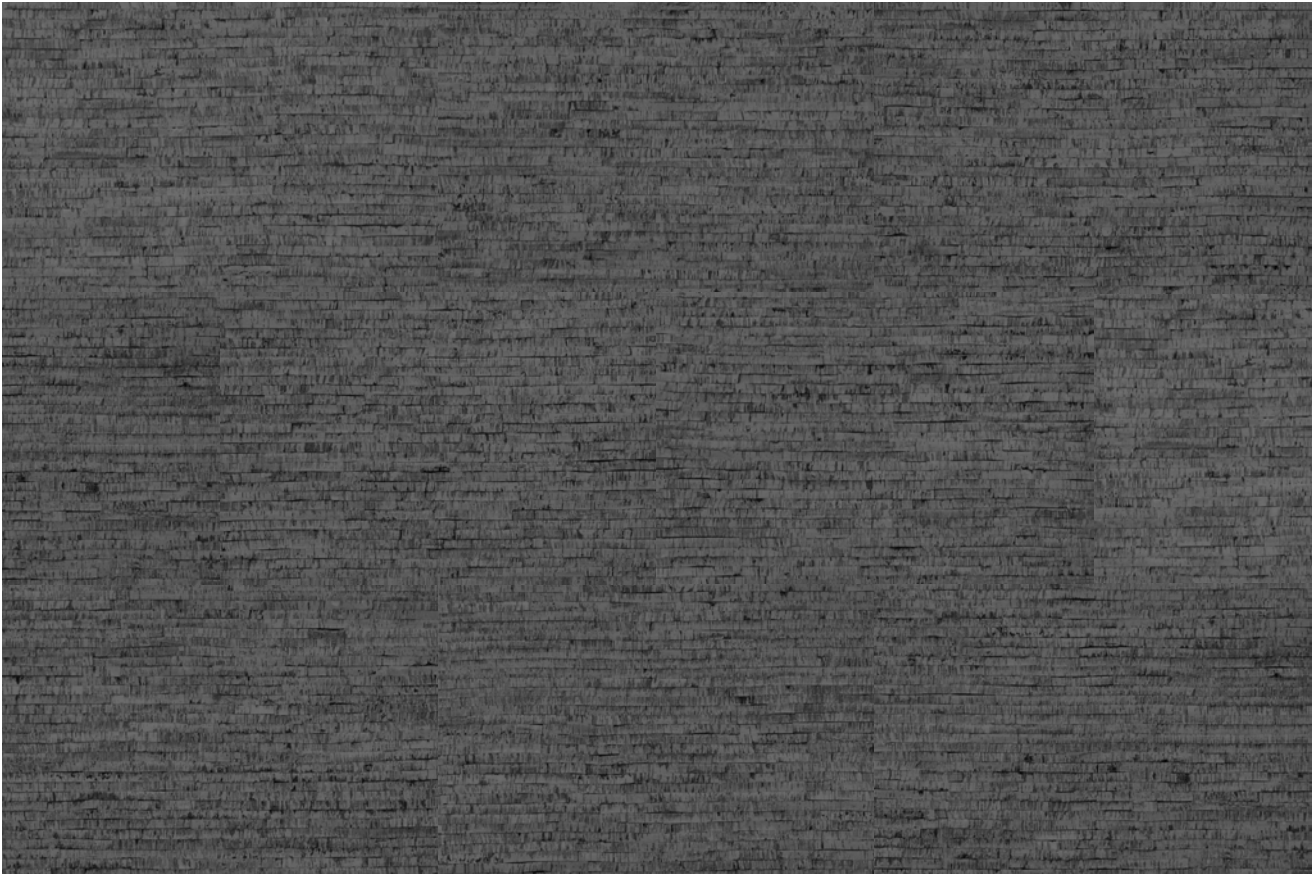

▼ Same tile visual layout as above, shown with tile borders of brick-lay installation ▼

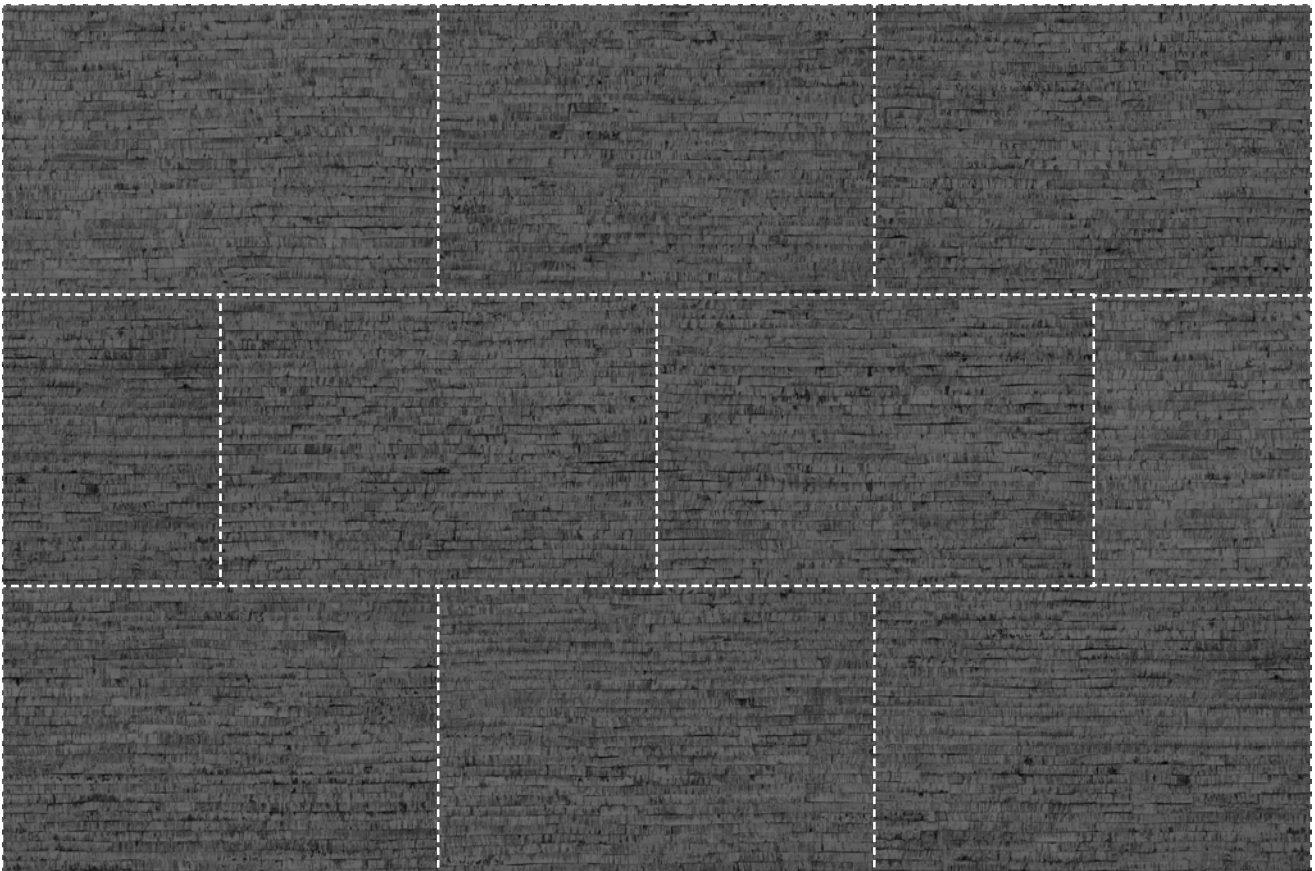

1860 Cork Wall Tile

Titanium VASC003 (Tile size: nominal 36" x 24")

Each tile is unique and tiles are best installed in a horizontal orientation using a brick-lay pattern as shown here

▼ Same tile visual layout as above, shown with tile borders of brick-lay installation ▼

1860 Cork Wall Tile

Hewn VAOC001 (Tile size: nominal 36" x 24")

Each tile is unique and tiles are best installed in a horizontal orientation using a brick-lay pattern as shown here

▼ Same tile visual layout as above, shown with tile borders of brick-lay installation ▼

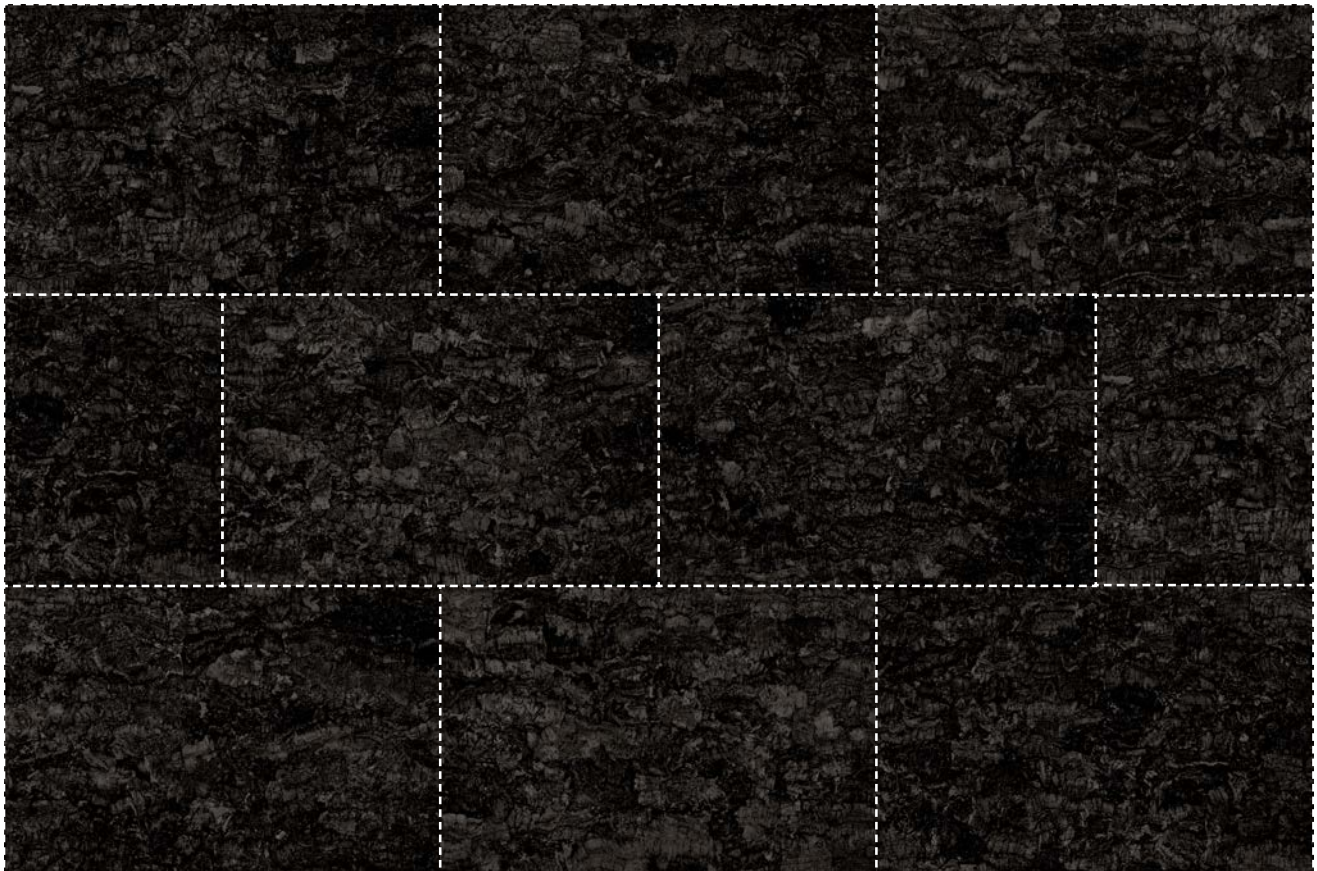

1860 Cork Wall Tile

Jet VAOC002 (Tile size: nominal 36" x 24")

Each tile is unique and tiles are best installed in a horizontal orientation using a brick-lay pattern as shown here
