

Cork flooring in EDUCATION

WHERE *sustainability* MEETS *style*

Capri Collections offers a diverse range of high-quality cork flooring solutions designed for the commercial sector. Capri's Medterra 2.0 glue-down cork and Eco-Clicks floating cork are PVC FREE, Declare Label Red List Free, GREENGUARD Gold certified and listed on mindful MATERIALS — ensuring sustainability with style. With the versatility of Medterra 2.0 and Eco-Clicks cork flooring, designers can create environments that prioritize comfort, acoustics, durability, and long-term performance in multiple spaces.

CORK IS SUITABLE FOR: classrooms, libraries, quiet study zones, living areas, administrative areas, recreational areas and more.

Mediterra 2.0 Student Housing

Mediterra 2.0 Oakland University

Cork flooring has been a trusted choice in schools and universities for more than a century. Educational spaces demand flooring that can withstand constant use while supporting focus and overall well-being. Cork naturally absorbs sound and reduces footfall noise to create quieter learning spaces. It also provides a cushioned, comfortable floor for long hours of standing or movement. From classrooms and corridors to residence halls and collaborative hubs, cork flooring remains a proven, sustainable choice for today's education environment.

Mediterra 2.0 Western MI U

Eco-Clicks Capitol Hill Day School

KEY BENEFITS OF MEDITERRA 2.0 AND ECO-CLICKS CORK:

Cork's **closed cell structure** enables it to compress and recover quickly and this closed cell structure is what makes cork flooring durable and able to be installed in high traffic areas.

Since cork is **50% air by volume**, it is an excellent sound insulator. Meditterra 2.0 ASTM C423 test results have a NRC of 0.05 and Eco-Clicks ASTM E2179 test results have a Delta IIC rating of 24.

Mediterra 2.0 and Eco-Clicks comes **pre-finished with 5 coats of Capri's proprietary TLP+ commercial grade urethane**. No need for site applied finish.

Cork is **naturally antimicrobial & anti-fungal**.

Ask us about FSC® certified cork.

Meditterra 2.0 Student Housing

Eco-Clicks Capitol Hill Day School

MEDITERRA 2.0 *glue-down tile*

ADDITIONAL BENEFITS:

- Cork tile qualifies for purchase under the Buy American Act
- Installing Meditterra 2.0 with Gold Series WC 1000 adhesive allows for immediate use after installation

ECO-CLICKS *floating cork*

ADDITIONAL BENEFITS:

- Since Eco-Clicks is a glueless floor, it allows for immediate use after installation
- Ideal for renovations, occupied buildings or challenging substrates

As history has proven, well maintained cork floors can last decades

Why cork?

Naturally durable, insulating, antimicrobial and rapidly renewable — cork is a smart, sustainable choice for modern interiors.
