

Capri **Nuovo rubber cork**
tiles • treads • risers • stringers

USA made Nuovo rubber cork is created with a combination of SBR rubber, natural rubber and natural cork. With Texture, Smooth and Raised Round Disc profiles, Nuovo is available in tiles, treads, risers and stringers.

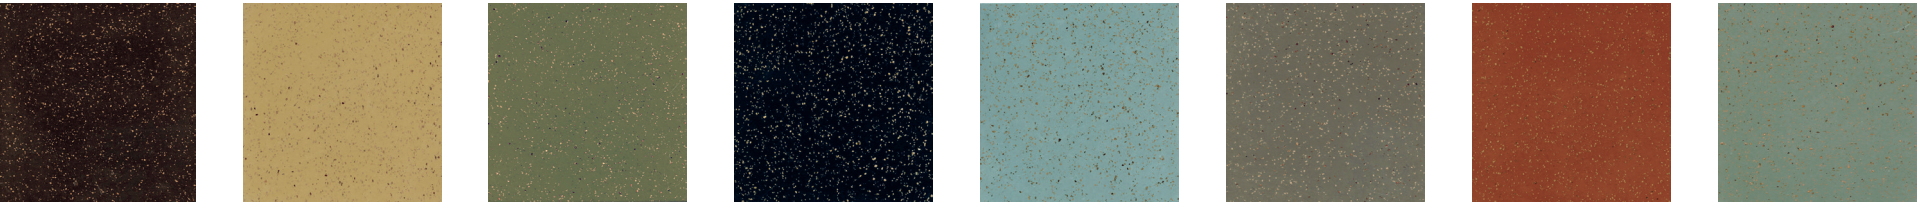

This high performance flooring meets or exceeds ASTM F 1344 standards for rubber flooring. Nuovo is durable, comfortable under foot, offers great slip resistance and can handle heavy rolling loads.

With 30 standard colors including neutrals and saturated colors, Nuovo also offers custom color options.

Maintenance of Nuovo is user-friendly with site applied finish coats optional. If finish coats are desired, only Capri approved finishes can be used.

Nuovo documents are available in the Document Library on the Capri website.
