

Capri Nuovo rubber cork

tiles, treads, risers, stringers

With 30 standard colors, Nuovo is offered in Texture, Raised Round Disc and Smooth profiles. Custom colors are available; minimums will apply.

Created with SBR, natural rubber and cork*, USA made Nuovo meets or exceeds ASTM F 1344 standards for rubber floors.

*cork content is homogeneous (dispersed through the entire thickness of the tile)

Nuovo is durable, comfortable under foot, offers slip resistance and can handle heavy rolling loads.

Tiles are available in Texture or Raised Round Disc profiles. Tile size: 18" x 18" x 3 mm

Square Nose Treads: Raised Round Disc & Smooth profiles • Round Nose Treads: Smooth (only)

Treads and risers are available in multiple lengths

Nuovo passes CA section 01350 and is FloorScore certified

Site applied finish coats on Nuovo are optional
