USA made Re-Tire offers great slip resistance, good sound absorption, comfort underfoot, durability and can handle heavy rolling loads.

Available thicknesses: 3.2, 4, 6, 8, 9 mm (fitness areas with free weights require 8 mm or greater)

Rolls: 4' wide • Tiles: 24" x 24" & 12" x 24" • Interlocking Tiles (8 mm or greater): 24" x 24" All

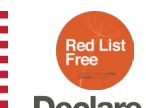

Re-Tire colors are also available in 12 mm thickness in roll goods format.

Medley, Kaleidoscope and Basics require site applied finish coats (including fitness areas).

All samples in this folder are 4 mm thick and have a finish coat applied.

Made with recycled materials (varies per color), shade variations are possible. Skive/knife marks from the manufacturing process are inherent.
